Certified	d correct	Training Manager for
Name ir	BLOCK CAPITALS	Licence no. and type

## **GENERAL NOTES**

- 1 'Satisfactorily' means that the applicant is in full control of aeroplane at all times, and that the successful outcome of a manoeuvre is never in doubt. 'Unassisted' means without verbal prompting or physical assistance with the flying controls.
- In the aeroplane 'Simulated engine failure' means with throttle lever set to idle so as to represent a failed engine as nearly as possible.
- In the aeroplane, 'simulated engine failure' should be initiated at a height, which will not hazard the safety of the aircraft.
- 4 Endorsement of the licence will date from the completion of these tests.
- Only persons holding written authorisation from the Civil Aviation Authority of Fiji in respect of the aeroplane used for this test may sign for the satisfactory completion of any test on this form.
- This issue of CAAF Form **PL 105D** is for use in respect of all **U206G** Floatplane. Copies of this form are available from the Civil Aviation Authority of Fiji, Private Mail Bag (NAP 0354), Nadi Airport, Fiji, telephone (679) 8923155 or may be downloaded from <a href="https://www.caaf.org.fj">www.caaf.org.fj</a>.
